

United States Department of Agriculture

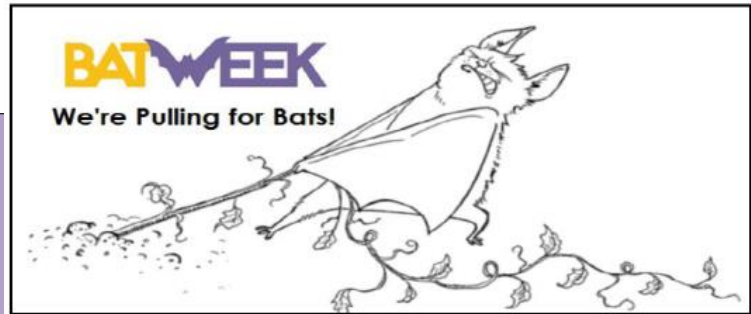

# Celebrate Bat Week 2016 with the Ottawa National Forest!

**When:** Saturday October 29, 2016

**Where:** Ottawa Visitor Center  
Hwy 45 & US2, Watersmeet, MI

**Time:** 10:00 a. m. – 1:00 p. m. (CDT)

**What to Bring:** If you plan to participate in the hike and removal of non-native honeysuckle, please wear sturdy footwear and bring your own lunch and plenty of water. We will provide gloves, tools, and safety equipment.

-  Presentation by Damon Haan, Ottawa National Forest Wildlife Technician, starting at 10:00 a. m. (CDT)
-  Craft activities for kids following the presentation
-  Cookies and apple cider provided by Ottawa Interpretive Association
-  Following the presentation, join Ian Shackelford, Ottawa National Forest Botanist for a hike near the Visitor Center and Duck Creek, and removal of some nearby non-native honeysuckle bushes
-  Volunteers will cut and herbicide non-native honeysuckle
-  All activities are **free**

**For more information or questions, contact the Ottawa Visitor Center at 906-358-4724.**
